

## MARCH REGULAR MEETING

### A JOINT MEETING OF THE ASCE/APWA/SAME

#### Civil Engineering and the Iraq War

Wade Horton, P. E. at Penfield & Smith was recently recognized as the ASCE Engineer of the Year for the Santa Barbara/Ventura Branch at the National Engineers Week Banquet held on February 19, 2009 at the Reagan Library.

In June 2007, Wade was mobilized and deployed with a US Navy Seabee Regiment to serve as an Area Construction Engineer in Iraq's Al Anbar Province. At this month's meeting, Wade will be sharing some of his personal experiences from his time in Iraq, particularly the facilitation of construction and civil engineering projects in a combat zone.

We must have your name on our list for you to be able to enter the base. Please enter the base at the Bard Gate and bring your ID with you the day of the meeting.

## LAST MEETING

## **2009 NATIONAL ENGINEERS WEEK**

*Ventura & Santa Barbara Counties*

February 19<sup>th</sup> was another fun night to honor local engineers and the work they do. Special congratulations go to the Teacher of the Year, David Matras of Colina Middle School and 2009 Scholarship Winner, Elaine Thai, who is attending Ventura College and intends to pursue a career in Civil Engineering. ASCE Santa Barbara/Ventura is proud to sponsor them.

Dr. Suzanne L. Klein, Sr. Flight Software Engineer & Test Lead at the NASA Jet Propulsion Laboratory and author of the book "Power to Change the World: Alternative Energy and the Rise of the Solar City" spoke about her vision of the use of alternate energy and the challenges of reaching energy self-sufficiency.
