Re: Sponsoring the Southern San Joaquin Branch Scholarship Fund

We would like to *invite you* to help us support our local students financially in their pursuit of a Civil Engineering career. You now have the opportunity to support our students directly by donating to our newly established **Scholarship Fund**. Money donated to the **Scholarship Fund** will be awarded through scholarships to highly deserving students selected during our competitive scholarship application process.

Our branch is in its 6th year providing scholarships to deserving Kern County students and has already committed to awarding three (3) scholarships this year at a **minimum of \$800 per student**, but we know that with your financial *support* we can increase the amount we can give to students this year and build a scholarship fund for years to come! Listed below are the levels of sponsorships available and how we will thank you for your generosity.

Gold Sponsor \$1,000	Silver Sponsor \$500	Bronze Sponsor \$250
Company Logo on Branch Newsletter Company Logo on Branch Website Recognition at the Banquet* Four (4) free attendance at the Banquet Company Logo on Banquet Programs	Company Logo on the Branch Website Recognition at the Banquet* Two (2) free attendance at the Banquet Company Logo on Banquet Programs	Recognition at the Banquet* Company Logo on Banquet Programs

(*Annual Awards and Officer Installation Banquet)

You can also make a donation in any other amount; **DEADLINE: April 30, 2016**. Please send check payable to **ASCE SSJ Branch**, to the following address including an electronic version of your company logo to **ssjb.asce@gmail.com**:

ASCE SSJ Branch
C/O Jeff Eklund
1800 30th Street, Suite 280
Bakersfield, CA 93301

Respectfully,

Dolores Salgado, P.E.
ASCE Southern San Joaquin Branch President
