

Land Development Project Engineer
Irvine, CA

RBF Consulting, a Company of Michael Baker International, seeks **Land Development Project Engineers** to join our growing Land Development group in our **Irvine, CA** office.

The Project Engineers will be Land Development civil engineering team members for all aspects of planning, design and plan preparation for a variety of residential, commercial and mixed-use development projects. Responsibilities include civil design for street, sewer, water and storm drain improvement plans, hydrology and hydraulic calculations, and rough and precise grading.

Requirements:

- B.S. in Civil Engineering
- Minimum of 2-8 years of Land Development engineering experience
- PE license
- Strong technical background in Land Development
- Strong AutoCAD skills
- Proven track record of increasing levels of responsibility

Preferences:

- Experience interfacing with clients
- Excellent communication skills
