

San Diego Sustainability Committee

2nd Annual Seminar

Infrastructure for the 21st Century

Date: **Wednesday, October 29, 2014**
7:30 a.m. to 4:45 p.m.

Location: County of San Diego
Hearing Room

Address: 5520 Overland
San Diego, California 92123

Infrastructure for the 21st Century: Learn how local professionals have applied two sustainable infrastructure rating tools, Greenroads and ENVISION™, to build strong local infrastructure systems. Also, learn how others are incorporating sustainable practices into multiple industry sectors. Be a part of an emerging discipline and meet your new colleagues at this exciting full-day seminar presented by the local Sections and Chapters of ASCE, APWA, and ACEC.

Seminar Topics

- Lessons Learned from two ENVISION™ Platinum awarded projects in CA
- Greenroads Rating System
- San Diego Construction Procurement Committee Top Issues
- Pavement Recycling Programs
- Future Solid Waste Choices
- Salton Sea Restoration
- Community Stewardship Panel
