LID Entrance and Parking Facilities

An aerial photograph showing the rear of a large playground structure. The structure features a prominent blue roof that extends over a stone-tiled deck. To the left, there is a wooden wall with a curved top. In the background, a picnic shelter with a blue roof and several picnic tables is visible on a grassy area. Further back, a red and white play structure is situated on a green lawn. The surrounding landscape includes trees, a clear blue sky, and distant hills.
